Product End of Life Notice

Product: Copier control POD
Part Number: POTG1-POD1
Affected Regions: Worldwide
Notice Date: 1st June, 2007

Effective immediately, Pharos Systems will no longer offer the Bear Copier Control POD (BEAR POD). Resellers affected by this change should review their current opportunities and quotations with their Pharos Business Development Manager. Please contact your Pharos Business Development Manager to discuss recommended replacements as no orders for the Bear POD device can be fulfilled.

Customers that currently use Bear POD devices can upgrade to Pharos Solution Suite 7.2. As at this announcement, all future releases/versions of the Pharos Solution Suite will no longer support the Bear POD. Customers that use Bear POD devices can contact Pharos Systems to discuss a migration plan to alternative options.

Pharos Systems has an exciting range of alternative options that supersede the BEAR POD devices. Please contact your reseller or Pharos Business Development Manager to learn more about these products.

Distribute to: All resellers and customers
Distribute to resellers by: 6th June 2007
Distribute publicly by: 22nd June 2007
