

PHAROS SUPPORT PACKAGES

Assistance to diagnose
and resolve issues faster

In today's fast-paced business environment, the impact of print operations going down extends far beyond inconvenience—it directly affects employee productivity, resulting in wasted time and mounting frustration. Pharos recognizes the critical role your Pharos system plays in your business operations, and that when there are disruptions, time is of the essence. Rest assured knowing that Pharos's global Support team stands by your side to quickly address any issues you may encounter.

Whether it's access to our 24x7 online knowledge base to quickly troubleshoot common issues, a private Slack channel for opened tickets, or even a Pharos Support Advocate who ensures availability of resources and champions issues on your behalf, there is a Pharos support package suited for your organization's needs. Every support tier is designed to ensure swift, effective issue resolution and minimize system downtime to keep your organization running smoothly.
